

Vote for J.J. Jelincic

to be **Your** voice on the CalPERS Board

As a professional investment officer, labor leader, employee advocate, and current Member of the CalPERS Board of Administration, I have fought to:

- ♦ Protect **Your** pension investments
- ♦ Strengthen **Your** retirement income
- ♦ Improve **Your** healthcare quality and access
- ♦ Hold CalPERS management accountable **to you**

My background has uniquely prepared me to continue to serve you on the CalPERS Board.

I have worked as a garbage truck driver, internal auditor, credit analyst, stock trader, investment officer, shop steward, bargaining unit chair, and as the two term President of the California State Employees Association. I have spent much of my career working on maximizing investments, protecting pensions and benefits, and holding big companies and insurance carriers accountable. With my investment knowledge and experience, and my record of leadership, dedication, cooperation and support for all CalPERS members, we can continue to work together to insure honesty, transparency, and responsiveness on the CalPERS Board.

With your support and your vote, together we can keep CalPERS strong and focused on your needs:

- ♦ Safeguarding retirement benefits
- ♦ Controlling healthcare costs
- ♦ Expanding vision care to all retirees
- ♦ Improving customer service
- ♦ Making CalPERS more accountable
- ♦ Fighting the attacks on public pensions
